

Bayside Katsaras Hotel

KREMASTI

Descriere Bayside Katsaras Hotel 4*

Hotel Bayside Katsaras is situated at Kremasti beach, which, accordingly, is found, in the north-west part of the island of Rhodes, precisely 20 metres away from an organised beach, famous for its crystal clear sea, and attractive to all the tourists who visit the island. It is a modern hotel complex that welcomed its first guests in 1997 and from then, it operates successfully from May to October every year, fully booked! For those who like windsurfing or kiteboarding the hotel is only 50 meters from kremasti beach ideal for kite board and wind surfing. The airport is only 2 km so it makes it also an airport hotel.
